

Frequently Asked Questions (FAQ)

Everything You Need to Know About Fotofafa

Whether you're outsourcing editing for the first time or looking for a trusted post-production partner, we're here to make your workflow faster, easier, and more efficient.

General Questions

What is Fotofafa?

Fotofafa is a professional photo editing company that helps photographers and studios save time with expert post-production services. We specialize in AI-assisted culling, color correction, retouching, real estate image enhancement, video editing, and custom editing workflows.

Who do you work with?

We work with photographers and studios worldwide, including:

- Wedding Photographers
 - Portrait Photographers
 - Family Photographers
 - Event Photographers
 - Real Estate Photographers
 - Sports Photographers
 - School & Volume Photographers
 - Commercial & Architectural Photographers
-

Can you match my editing style?

Yes. We can match your editing style using reference galleries, Lightroom catalogs, presets, or previously edited images to ensure consistent results across every project.

Do you offer a free trial or sample edit?

Yes. We offer a complimentary sample edit so you can evaluate our quality before placing your first order.

AI Culling

What is AI Culling?

Our AI-assisted culling service quickly identifies the best images from your shoot, helping reduce the time spent reviewing thousands of photos. Every project is reviewed by our team to ensure quality and consistency.

Can you follow my culling preferences?

Absolutely. We can follow your preferred selection style, star ratings, color labels, duplicate preferences, and custom instructions.

Color Correction

What is included in Advanced Color Correction?

Our Advanced Color Correction includes:
